CALLPILOT VOICEMAIL USER INSTRUCTIONS

You may reach CallPilot voicemail by calling: 895-4900 Internal
895-4770 External
5-4901 Express Messaging (internal)

You have been assigned a “Voice Mailbox” on the Nortel Callpilot system. Your mailbox number is your 5-digit phone number. Your temporary password is 1- plus your five-digit extension (mailbox number)

To log in for the first time

When you log in for the first time, you must change your password from the one you were first assigned. After that, you may change your password as often as required. Passwords can be 5 to 16 digits in length.

1. Decide on a new password.
2. Follow the login steps below using your temporary password.

To log in

You can log into your mailbox (which is the same as your five-digit extension #) from any touch-tone phone.
1. Dial the access number, or press the message key on your phone (listen to the prompts).
2. Enter your mailbox number, and then press #. If you are at your own phone, just press #.
3. Enter your password, and then press #

When you log in for the first time enter your temporary password (which is 1-plus your five digit mailbox number)
To CHANGE your password:

Passwords can be 5 to 16 digits long
1. While logged into your mailbox, press 84
2. When prompted, enter your current password, and then press #
3. Enter your new password followed by the # sign.

To RECORD your greetings:

You can record external, internal, and temporary greetings. Callers from outside your organization hear your external greeting; callers within your organization hear your internal greeting. If you don’t record an internal greeting, all callers hear your external greeting. You can record a temporary greeting to tell your callers that you are away from your office. All callers hear your temporary greeting if you record one.

1. While logged into your mailbox, press 82.
2. For your external greeting, press 1.
   For your internal greeting, press 2.
   For your temporary greeting, press 3.
   You can set an expiry date for your temporary greeting
3. Press 5 to record. Wait for the tone, and then record your greeting.
4. Press # to end recording.

To play, delete, or re-record your greeting
